The weather interfered with Hancock County's Mardi Gras festivities twice this year, but the krewes all carried on, wrapping up a busy carnival season on Fat Tuesday.

"From the Seahorse Parade to Nereids and the Krewe of Real People, nothing could stop us from letting the good times roll," Hancock Chamber of Commerce Executive Tish Williams said on social media Tuesday.

The Krewe of Nereids parade originally scheduled for last weekend, ended up rolling on Mardi Gras Day due to rainy and cold conditions, and then ended up roll-

ing even earlier on Fat Tuesday than planned because of a forecast for high winds and more rain, but the Nereids persisted and rolled on its original route through Waveland.

The 2025 Krewe of Nereids Parade Award winners are as follows:

- Best Overall Float, Krewe of Partytime Anytime.
- 2nd Place Float, Krewe of Ramblin Outlaws.
- 3rd Place Float, Krewe of Sippin' Away.
- Spirit Award Float, Carnival Chaos Krewe.
- Best Overall Dance Team, Souther Chaos.
- Best Costume/Dance Team, HHMS Robotics FVS.

Mardi Gras may be over, but the festive fun will continue in Hancock County with multiple other events, including the Krewe of Pawseidon dog parade this weekend and the Waveland Civic Association’s St. Patrick’s Day parade the weekend after that.

The Krewe of Pawseidon parade is scheduled to roll in the Depot District on Saturday, March 8. Festivities begin at 11 a.m., and the parade is set to start at noon.

The parade is sponsored by the Mississippi Gulf Coast Corgis and Cafe BoneJour.

The Waveland Civic Association will host its 61st annual St. Patrick’s Day Parade on Saturday, March 15, beginning at 1 p.m.

The parade will line up at Whispering Pines, beginning at 10 a.m., and will go down the beach to Nicholson

Avenue, up Nicholson onto Central; from Central to Coleman; Coleman to the beach; and from the beach to Waveland Avenue, where the parade will end at Elwood Bourgeois Park.

Jeeps, golf carts, floats and marching groups are all welcome. Pricing and registration information are available at [wavelandcivicassociation.com](http://wavelandcivicassociation.com).

Also on Saturday, March 15, the Misfits Street Krewzers will host the 27th annual GNAT Nationals Open Car/Truck/Jeep Show from 8 a.m.-3:30 p.m. at St. Clare Catholic Church in Waveland.

On Saturday, March 29, the city of Bay St. Louis will host its annual Easter Egg Hunt, starting at 10 a.m. at the Bay St. Louis Sports Complex. The Easter Bunny will be there for photos with the children. In case of rain, the event will be held on March 30.

# Hancock Chamber Education Committee TO HONOR GRADUTING SENIORS AT 2025 SENIOR APPRECIATION BREAKFAST

**SPEICAL TO THE ECHO**

The Hancock Chamber of Commerce Education Committee is proud to host the annual Senior Appreciation Breakfast on Thursday, April 25, 2025, at the Bay St. Louis Community Center. This special event celebrates the achievements of Hancock County’s graduating high school seniors as they embark on their next chapter in higher education, the military, and career technical fields.

The event will recognize 500 graduating seniors from Hancock High School, Bay High School, St. Stanislaus, and Our Lady Academy. The morning will feature inspiring speakers who will encourage students to take the next step in their career pathways and become engaged citizens. As part of the program, seniors will also be encouraged to register to vote, empowering them to exercise their constitutional right.

Each year, this event is made possible through the generous support of local businesses and community members. The Hancock Chamber invites sponsors to contribute to this impactful initiative with a \$500 tax-deductible donation through the Hancock County Community Development Foundation, a 501(c)(3) nonprofit public charity. These contributions help ensure a meaningful and memorable experience for the students as they transition into the next phase of their lives. Those supporting this event will also give the Education Committee the opportunity to present four \$500 scholarships to one deserving senior at each High School during their graduation ceremonies.

“We are so grateful to our community for supporting this initiative year after year,” said Tish Williams, Hancock Chamber Executive Director. “It’s a wonderful opportunity to recognize our young citizens and provide them with motivation and resources for their future. We thank our Education Committee, especially Chairman Dr. Raymunda Barnes of Pearl River Community College, for leading this event for our graduates.”

## Flag Retirement Program

Edmond Fahey Funeral Home works with local residents and the veterans services organizations to properly retire any U.S. flag that has reached the end of its service. Our program is designed to honor our national heroes, our military veterans, and to give dignity to our American Flag when it is no longer worthy of display. We strive to see that each veteran being cremated has a flag. There is no charge for this service to our veterans.

According to the United States code, Title 4, Chapter 1, Subsection 8: "The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning."

If you would like to honor a deceased veteran by donating an aged or worn flag to be properly disposed of, you may do so by delivering the flags to our funeral home located on the corner of Necaise Avenue and Main Street.

"We pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

# Bay police arrest man for stealing parade barricades

ECHO STAFF

The Bay St. Louis Police Department on Monday arrested a Pass Christian man for allegedly stealing parade barricades.

At around 9:30 p.m. on Monday, officers “observed a gray 2019 GMC Sierra traveling in the area of North Second Street and Ulman Avenue with city of

Bay St. Louis barricades in the bed of the truck,” Bay Police Chief Alvin Kingston said in a press release.

Officers stopped the vehicle and identified the driver as 48-year-old Brooks Charles Quinlan.

“During the investigation, Quinlan stated he took the barricades to block off his personal property,” Kingston said.

Officers charged him with one count of petit larceny and transported him to the Hancock County Jail.

## NAME

Continued from Page 5

“The term “Cassandra complex,” also known as “Cassandra syndrome” or “Cassandra phenomenon,” is a modern psychological concept derived from Cassandra’s myth. It describes a situation “where valid warnings or concerns are dismissed or disbelieved.”

“In psychology, the Cassandra complex is often used to describe individuals who experience a sense of impending doom or foresee negative outcomes but are unable to convince others of the validity of their concerns,” the website states. “These individuals may feel isolated, frustrated, and helpless, similar to the mythological Cassandra. It’s not a formally recognized clinical diagnosis, but rather a metaphorical concept used to describe a pattern of social dynamics and communication breakdown.”

Beyond psychology, the website states, that the complex also applies to society as a whole, using the examples of “environmental scientists’ warnings of climate change and other threats are often ignored by governments and the public, despite strong evidence. Similarly, in politics and business, warnings about risks like market crashes or instability are sometimes dismissed, leading to preventable problems. Even in technology, especially with fields with AI, experts who raise ethical or safety concerns can be treated as “Cassandras,” their valid warn-

ings dismissed as overly cautious or hindering progress.”

While looking back to refresh my memory about Cassandra’s mythology, I learned about the psychology aspect of it and that fascinates me.

Psychology has always intrigued me. It’s one of the reasons I watch a lot of true crime.

During my college days, I had yet to experience the “Cassandra complex,” but I’m ever so grateful to my professors for introducing me to the world of Greek Mythology, amongst other forms of literature and knowledge.

But, as an adult, it has become commonplace for me to experience this. Now, it’s not just because of my name — or it could be — or because I spurned a God of Greek Mythology (which I don’t think I have knowingly done that either).

There have been numerous times I’ve shared my feelings, whether it be warnings or gut feelings about situations or people that have been disregarded. Hell, I’ve shared warnings with myself about my own particular situations and never really believed them.

Some of those “premonitions” I’ve had have come to fruition.

I’ve never really understood why people don’t want to hear the “bad” or realistic side of things. Not every situation can be solved with toxic positivity or some weird sunshine attitude about things.

Sometimes they don’t want to hear about the negative outcomes because it would mean they would have to reflect on their own decision making and often take the

warnings personally.

At this point, there have been times when I’m just like, let it all burn down. You can only warn people so much. Not all experiences are the same, but sometimes we can also use the experiences of others to elicit thoughtful reflection about our own journeys.

A Trojan horse can take many forms: A little old lady, a politician, philanthropists, or pretty much anyone. By the time the contents of the horse are revealed, it’s often too late.

On one hand, it would almost be a relief for the “Cassandras” of the world to quit sharing their warnings. I mean, because like I said, if someone is too prideful or stubborn to see other people’s points of view, especially when backed up by evidence, then maybe they deserve to experience the fall.

But, then I think about it again, and can’t really say that that would be a good thing. It might sate my Schadenfreude (that’s German for taking pleasure in the misfortune of others), but it wouldn’t make for the best possible outcomes.

So, to the “Cassandras” out there, I say keep speaking out and warning others about things and to the people who seem to refuse to heed the warnings, think twice before blowing people off. Learn to be more open-minded and willing to take the warnings to heart with actions, not just placating platitudes.

## Elaine DeMarias (Little) Bell

Elaine DeMarias (Little) Bell joined her husband, “Jack” John Elijah Bell, III in Heaven on February 18, 2025. Her daughter, Laura, and son, John, were with her, praying by her side as she transitioned to her Heavenly home. Elaine was born in Tifton, GA, January 31, 1940. Due to her father’s military career, her family lived in many places within the U.S. including the family’s hometown of Ocilla, GA. The family also in Japan for a few years which was a vivid memory for Elaine and her siblings. A lifelong Christian and member of the Episcopal church, Elaine loved her family and the Lord. Elaine met her beloved husband while attending Gulf Park college in Mississippi. They lived on the Gulf Coast for several years, later opening a business in San Juan, PR, where they resided for four years, enjoying the island life before moving back to the states. Elaine, her husband, and his father moved to Baton Rouge, LA where they

resided for many years. She and Jack loved the Gulf Coast and had a vacation cottage in Bay St. Louis, which they named “Jack’s Attractive Shack.” Elaine was a successful businesswoman with a thriving real estate brokerage in Louisiana. She became a well-respected Realtor®, when she and her husband relocated to Florida to be near their children and grandchildren. Elaine broke the proverbial “glass ceiling” for women in her field. Her husband and colleagues fondly called her, “The Velvet Hammer” because of her skillful and smiling negotiation style and lovely Southern accent. She was beloved by many within her business community and by her hundreds of clients over a forty plus year career. Elaine’s family was very important to her, and she delighted in her children and grandchildren following in her path with real estate-oriented careers. She was preceded in death by her husband, Jack, her brother, Tom French Little, Jr. and her parents, Dr. and Mrs. Tom French Little, Sr. Elaine leaves behind

## Margaret Patricia Horne Scafidi

Margaret Patricia Horne Scafidi, 78, passed away Wednesday, February 26, 2025, in Diamondhead, MS surrounded by her husband of 58 years Terry Scafidi, her brother, Michael Horne, and his wife Kay Horne.

Having suffered from bone cancer recently, Margaret passed away comfortably and was ready to meet her maker. The daughter of a college professor of English, Margaret was born in New Orleans, baptized at Holy Name of Jesus Church, and attended Holy Name of Jesus Elementary School. Her family relocated to Bay St. Louis in 1958, where Margaret graduated from St. Joseph Academy in 1964. Margaret earned her bachelor’s degree in English at Loyola University in New Orleans in 1967, where her father, Dr. Mark Daniel Horne, taught. She married Terry Scafidi that same year, and the couple moved to Savannah, GA, the next year, for Terry’s newfound job. Margaret and Terry settled into Savannah like they were born there, Margaret discovering she was greatly needed as a middle-school teacher in the Catholic School system and ended up teaching there for over 40 years. The Italian community welcomed them, and they enjoyed being members for many years there. Terry’s job took him all over the southeastern states, but they remained based in Savannah for over 50 years. The entire Horne family, including sister May and husband Bob Fister’s family, and brother Jack and wife Judy’s family members of the Scafidi family, brother Sparky and wife

Becky, and friends, were constant visitors, being welcomed with delight by Margaret and Terry. When her father died in 1975, Margaret’s mother, Isabel Lillian Bouny Horne-known as Little, moved in with the Scafidis in Savannah until her death in 1982. Margaret and Terry were especially close to the Nativity Catholic Church, Blessed Sacrament Church, and the nuns who taught with Margaret. She became a lay member of a local spiritual society and devoted much of her time to sharing prayers with friends and family. During St. Patrick’s Day celebrations in Savannah, the Scafidis were seen much involved anywhere there was an event. During Mardi Gras time Margaret had her sixth-grade class at Nativity School dress up in costumes and bring carnival beads to all the classes in the school. Oh. Yes, the Scafidis were certainly open to any sort of praying, and partying, all year long. Both having retired, it was natural to think of the old hometown, and the many relatives living there. So, in 2018 they moved back down to Mississippi, Bay St. Louis to be exact, and recently to Diamondhead, where two of Margaret’s sisters and a brother, plus cousins and friends, resided. St. Clare Catholic Church in Waveland and recently Most Holy Trinity in Pass Christian.

Margaret was preceded in death by her parents, Dan and Little Horne; maternal grandmother, Isabel Bouny “Tippy”; twin paternal aunts, Sarah and Agnes Horne; and two brothers, John Hynes Horne “Fella” and Mark Daniel Horne, Jr. “Sparky”.

She is survived by her wonderful and loving

husband, Terry Scafidi of Diamondhead; three sisters, May Horne Fister of Diamondhead, Danielle “JoJo” Horne DesAngles of Kiln, and Dr. Maryanne Horne of The Villages, FL; brother, Michael Horne (Kay) of Diamondhead; seven nieces, Anne Fister Daniels (Dan) of Lawrenceville, GA, Jane Fister McNabb (Alan) of Decatur, GA, Sandra Fister Cika (Jim) of Haverstraw, NY, Ashley Horne Desmond (Rich) of Peachtree Corners, GA, Shani Horne McCloskey (Pat), Joelle Horne Hall (Eric) both of Clermont, FL, and Candice Horne of Diamondhead; four nephews, James Robert Fister, Jr.(Tabitha) of Snellville, GA, Dr. John Hynes Horne, Jr. (Beth) of New Orleans, LA, Gregory Dean Horne (Dana) of Braselton, GA, and Michael Horne, Jr. of Walker, LA; numerous great-nieces and nephews and longtime, cherished friends in Savannah, Josie and Tim Cooper.

Visitation will be held Saturday, March 8, 2025 at Most Holy Trinity Catholic Church in Pass Christian, MS from 12:00 noon until 1:00 p.m. with a Mass of Christian Burial at 1:00 p.m. Interment to follow at Rotten Bayou Cemetery in Diamondhead, MS.

Edmond Fahey Funeral Home is honored to serve the family of Margaret Patricia Horne Scafidi.

## Reflections on the Journey of Faith

By **REV. C. GERALD RICHARDSON, D. MIN**

C. Gerald Richardson, D. MIN.

A few weeks ago, my wife and I had the privilege of attending the Annual Council of The Episcopal Diocese of Mississippi. It was held at the Coast Coliseum in Biloxi, Mississippi. It was a beautiful worship experience

with a majestic procession of the clergy of the diocese, many children and youth, inspiring music, a challenging message from the bishop, The Rt. Rev. Dr. Dorothy Sanders Wells, and receiving the Holy Eucharist. Her sermon reminded us of the importance of faithfulness to our heritage and to the traditions which have nurtured and guided us across the years. She declared that our traditions, our expectations, our responsibilities, point us to our calling. This is the pathway to belonging, and to the promise of the possibility which awaits us.

For the rest of that day (and the days since) I have reflected on her message. I was reminded that life is a journey which defines our existence. We often tend to wish we could by-pass

the journey and be at the destination. In most of life, that is just not the way it works. Disappointments are likely to come. Sometimes failure may discourage us. There may very well be detours which take us to unexpected, and perhaps, unwanted places.

That is an important part of the resonance of the message from the bishop. Faith has the potential to offer us anchors and traditions in life to which we can return when we are faced with unplanned moments of difficulty. That does not mean that faith always remains the same. Our understanding of faith may evolve. There may be times of doubt, of intellectual struggle, of alternate ways of experiencing spirituality. At times people are troubled by this reality.

They may fear that their struggles negate spiritual authenticity. Actually, that too, is part of the journey. One writer said, "I have bumped my head so often and so hard striving for faith." Many people can identify with that part of the pilgrimage.

It is also true that the church itself may struggle. Institutional religion is going through some hard times during these days. Church attendance is often not what we recall from previous years. Disagreements regarding theology, worship styles, music choices, and various mission and outreach opportunities are frequent. Financial needs can be difficult to meet.

Again, the message of the bishop is important. Spirituality includes faithfulness to the calling, clinging to the hope

and promises of life, and finding purpose in living. This is not a simplistic task. It includes trust, but it must be "trust with feet". In other words, we trust as we work, as we engage, as we share, and as we discover optimism and moments of grace along the way. The supportive community of a gathered body of fellow travelers can assist in embracing our inner experience. We also benefit from deep personal reflection. The important truth is that we are more than muscle, blood, and bone. We are also spirit. We have emotions. We are in relationships. We connect with others. There is hope here if we are willing to claim it.

I am grateful to Bishop Wells for prompting us to think on these things.

Notice and Public Explanation of a Proposed Activity in the 100-Year Floodplain  
To: All Interested Agencies, Groups, and Individuals  
SUBJECT: Notice of intent to take action within the 100-year floodplain

This document gives notice that Hancock County Port and Harbor Commission (HCPHC) is proposing to conduct activities within the 100-year floodplain, as identified on Flood Insurance Rate Maps (FIRMs) for Hancock County, to facilitate the construction of the Port Bienville Intermodal Yard Project. The purpose of the proposed activity is to construct additional rail lines for staging and classification to be utilized by tenants that have operations at the Port Bienville Industrial Park.

The project site is in Hancock County, Mississippi. The Project is located at the Port Bienville Industrial Park, east of Lakeshore Drive.

The HCPHC is requesting the use of U.S. Department of the Treasury Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies (RESTORE) Act funding for the referenced project.

In deciding whether to fund the proposed project, U.S. Department of the Treasury is obligated to follow requirements set forth by Section 2(a)(4) of Executive Order 11988 for Floodplain Management. This Notice of Intent is being provided in fulfillment of the aforementioned Executive Order.

The HCPHC has conducted an evaluation as required by Executive Order 11988 to determine the potential effect that its activity in the floodplain will have on the environment.

The proposed activity is intended to occur in Hancock County, Mississippi with 16 acres of the project located in the 100-year floodplain (Zone AE) as determined from Flood Insurance Rate Map (FIRM) Map Number 28059C0406G (effective 10/16/2009).

The project will be elevated above the base flood elevation (BFE) of 16 feet by importing three to five feet of approved fill. In response to the requirement for evaluating alternatives to building/mitigating projects in the floodplain, the alternatives considered included relocating the proposed activity to an alternate site and no action.

Alternate Site Alternative  
Alternate site locations were not practicable because the alternate locations also contain a large amount of wetland acreage and potential other development projects along the existing railroad tracks. HCPHC has been unable to identify alternative sites that have adequate acreage, are above the base flood elevation, do not impact wetlands, and do not impact other proposed development within the Port Bienville Industrial Park.

No Action Alternative  
The adoption of the No Action alternative is a decision not to expand the railroad staging and classification capacity; therefore, HCPHC would not be able to meet the needs of the existing and future tenants of the Industrial Park.

Proposed Action Alternative  
The objective of the project is to expand the intermodal capacity to allow Port Bienville tenants to increase production and increase rail freight transport and regional transient storage. Members of the public are invited to submit comments on the proposed activity.

Additional information on the proposed activity is available for the public between the hours of 8:00 am and 5:00 pm, Monday through Friday at the following location:

Any individual, group, or agency may submit written comments for consideration by the Hancock County Port and Harbor Commission at the above address by April 7, 2025.

All comments will be considered prior to constructing the proposed activity.

RESOLUTION OF INTENTION

The Board of Supervisors, acting for and on behalf of Hancock County, Mississippi (the "County") and the Hancock County Port and Harbor Commission on behalf of the Stennis International Airport (the "Authority") took up for consideration the matter of authorizing and approving a loan on behalf of the County from the Mississippi Development Authority (the "MDA") for the purpose of making improvements to the Stennis International Airport Facility and thereby promoting commerce and economic growth.

Thereupon Supervisor District 2, Greg Shaw offered and moved the adoption of the following resolution:

RESOLUTION DECLARING THE INTENTION OF THE

BOARD OF SUPERVISORS OF HANCOCK COUNTY, MISSISSIPPI, TO AUTHORIZE AND APPROVE A LOAN ON BEHALF OF THE COUNTY AND THE AIRPORT AUTHORITY FROM THE MISSISSIPPI DEVELOPMENT AUTHORITY IN A MAXIMUM PRINCIPAL AMOUNT NOT TO EXCEED TWO MILLION DOLLARS (\$2,000,000) FOR THE PURPOSE OF MAKING IMPROVEMENTS TO THE AIRPORT FACILITY TO PROMOTE COMMERCE AND ECONOMIC GROWTH.

WHEREAS, the Board of Supervisors of Hancock County, Mississippi (the

"Governing Body" of the "County"), does hereby find, determine, adjudicate and declare as follows:

1. The Mississippi Business Investment Act, constituting Sections 57-61-1 et. seq. Mississippi Code of 1972, as amended (the "Act"), was enacted for the purpose of promoting business and economic development in the state of Mississippi (the "State") through investment by private companies locating in the State.

2.Pursuant to Section 57-61-41 of the Act, the MDA is authorized to make interest-bearing loans to state, county or municipal airport authorities for the purpose of making improvements to airport facilities.

3. The County and the Authority will agree to improve the airport facilities and will request the MDA to finance a portion of the cost associated with the development of these improvements (the "Project").

4.Pursuant to the Act and guidelines adopted by the MDA, the County and Authority will file an application with the MDA for a loan to be used for the development of the Project in the amount of Two Million Dollars (\$2,000,000) (the "Loan").

5. The County and the Authority will enter into a Loan Agreement (the "Agreement") with the MDA wherein the County and Authority agree to borrow the proceeds of the Loan subject to and upon the terms and conditions of the Agreement.

6. In order to secure the Loan, the County and the Authority will execute and deliver to the MDA a Promissory Note (the "Note"). Failure of the County to meet its repayment obligations shall result in the forfeiture of sales tax allocation and/or homestead exemption reimbursement in an amount sufficient to repay obligations due pursuant to Section 57-61-15 (7) of the Act. Upon forfeiture of the County of its sales tax allocations and/or homestead exemption reimbursement for twelve (12) months, the County may levy an ad valorem tax on the taxable property therein for the purpose of meeting its repayment obligation in accordance with Section 57-61-15(8) of the Act. The revenue produced from the tax levy shall not be included within the ten percent (10%) growth limitation on ad valorem tax receipts for its general budget.

7.The Loan shall not be deemed indebtedness within the meaning specified in Section 19-9-5, Mississippi Code of 1972, as amended.

NOW, THEREFORE, BE IT RESOLVED BY THE GOV-

ERNING BODY OF THE COUNTY, AS FOLLOWS:

Section 1. The Governing Body of the County does hereby declare its intention to authorize and approve a Loan from the MDA in the principal amount not to exceed

Two Million Dollars (\$2,000,000) for the purpose of making improvements to the

Stennis International Airport Facility thereby promoting commerce and economic growth.

Section 2. The Loan will be secured by a Note executed and delivered by the County and the Authority to MDA. Pursuant to Section 57-61-15 (7) of the Act, failure of the County to meet its repayment obligations shall result in the forfeiture of sales tax allocation and/or homestead exemption reimbursement in an amount sufficient to repay obligations due until such time as the indebtedness has been discharged or arrangements to discharge such indebtedness satisfactory to the MDA have been made. Upon forfeiture of the County of its sales tax allocations and/or homestead exemption reimbursement for twelve (12) months, the County may levy an ad valorem tax on the taxable property therein for the purpose of meeting its repayment obligation in accordance with Section 57-61-15(8) of the Act. If twenty percent (20%) or fifteen hundred (1,500), whichever is less, of the qualified electors in the County shall file a written protest with the Clerk of the County against the authorization and approval for the Loan on or before the aforesaid date and hour, then the Loan shall not be entered into unless authorized at

an election on the question of authorizing and approving the Loan. Such election shall be called and held as provided by law. If no protest is filed, then the Loan may be entered into without an election on the question of authorizing and approving the Loan at any time within a period of two (2) years after the date above specified.

Section 4. This Resolution shall be published once a week for at least four (4) consecutive weeks in the Sea Coast Echo, a newspaper published in the City of Bay St. Louis in Hancock County, Mississippi and having a general circulation in the County and qualified
